Debra Kensy Robin O'Dwyer

Library Trustee for three years:
Sharon Driscoll

ARTICLE 2. Are you in favor of the adoption of Amendment 1 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 1: To change ARTICLE II, relating to Districts, to read:

"DISTRICTS. For the purpose of this Ordinance, the Town of Harrisville is divided into the following Districts:

- (1) General Residential and Agricultural District;
- (2) Commercial District;
- (3) Industrial District;
- (4) Landslide Residential District;
- (5) Village Residential District;

Additional constraints may be placed on properties within any district by the following overlying Districts:

- (6) Historic District(s);
- (7) Wetlands Conservation District.

The boundaries of these districts are hereby established as shown and defined on the Zoning Map of the Town of Harrisville as revised and adopted by the Planning Board. This map is filed with the Town Clerk."

YES: 148, NO: 50, declared passed.

Are you in favor of the adoption of Amendment 2 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 2: To change ARTICLE III, GENERAL PROVISIONS, to read:

"ARTICLE III. GENERAL PROVISIONS. In the event that the provisions of one section of these Ordinances are found to conflict with others provisions of these Ordinances, the more restrictive shall apply. All Districts are subject to the following provisions: No owner or occupant of land in any District shall permit fire ruins or other ruins to be left but shall remove them within one year as required by State Law. The establishment or use of facilities for the production, storage and/or disposal of hazardous wastes (as defined by RSA 347) or of radioactive wastes (as defined by the Atomic Energy Act of 1954, as amended) is prohibited. Uses that may be obnoxious or injurious to the community, or incompatible with the comfort, peace, enjoyment, health, safety of the community are prohibited. Each lot used for the erection of a building shall meet the minimum dimensions required by the Zoning Ordinance for the District and shall contain the minimum land area required in that District for the use or uses proposed. A building permit is required for any construction or alteration of any structure. Building permits shall be issued by or under the authority of the Selectmen upon determination that the proposed building or structure does not violate existing ordinances, laws, or regulations. No existing seasonal residence shall be converted to year round residential use unless an approved septic system is provided. No more than one building used for dwelling purposes shall be erected or placed on a lot, unless such construction is part of a multi-family development approved by the Planning Board and is a permitted use in the district. No lot shall be occupied or used for more than one principal use. One or more detached accessory buildings may be located on the same lot as the principal building provided that no more than twenty-five percent (25%) of the lot area, excluding the area occupied by the principal building, shall be occupied and that all other requirements are met. No chattel

or structures (permanent, temporary or portable) shall be located within ten(10) feet of property lines (excluding fences). No accumulation of junk is permitted. No lot on which a structure is located shall be reduced or changed in size or shape so that the use fails to comply with these ordinances. This provision shall not apply when a portion of the lot is taken for public purposes. Site plan approval by the Planning Board is required for the following: Any non-residential use, any multi-family use, any Cluster Development.

YES:129, NO:48, declared passed.

Are you in favor of the adoption of Amendment 3 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 3: To change ARTICLE VII, section A, items 1 and 2, relating to frontage requirements and minimum lot size requirements, respectfully, in the Lakeside Residential District:

1. ARTICLE VII, section A, item 1 to read:

"Each lot shall have a minimum waterline frontage of two hundred (200) feet and a minimum frontage on its right-of-way of two hundred (200) feet. See ARTICLE X, Definitions."

2. ARTICLE VII, section A, item 2 to read:

"Minimum Land Area: No single-family dwelling or single-family manufactured dwelling shall be located on a lot containing less than forty three thousand, five hundred sixty (43,560) square feet. No such dwelling shall be located within fifteen (15) feet from any property line."

YES: 146, NO: 67, declared passed.

Are you in favor of the adoption of Amendment 4 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 4: To change ARTICLE IX, relating to Cluster Development as follows:

1. ARTICLE IX, section C, item 1 to read:

"Cluster residential developments may be permitted by Special Exception from the Board of Adjustment provided that the following conditions are met"

2. ARTICLE IX, Section C, item 1b to read:

"The maximum number of dwelling units in a cluster development shall be computed by subtracting the area required for public roads within the development, seventy-five percent of the area of any poorly-drained soils mapped as part of the Wetlands Conservation District, and any areas of open water, marshes or streams from the total acreage of the tract and dividing the remainder by the density permitted in the underlying district. The permitted number of dwellings shall be rounded up in the case of fractions of units."

3. ARTICLE IX, Section C, item 1c. Strike this item.

4. ARTICLE IX, Section C, item 1e to read:

"Each lot in a cluster development which abuts property that is not within the cluster development shall have a side or rear yard not less than the larger of the required side or rear yard required by the abutting property or the district within which the cluster development lies."

YES: 139, NO: 59, declared passed

Are you in favor of the adoption of Amendment 5 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 5: To allow the insertion of new definitions for the following to ARTICLE X of the Zoning Ordinance:

Accessory building, Accessory use, Agriculture, Alley, Alterations - structural, Alteration, Amendment, Animal hospital, Apartment, Apartment - "in-law", Approved septic system, Area - lot, Area - building, Automobile repair shops, Basement, Bed and breakfast, Billboard, Building, Building line setback, Building line, Building height, Bulk storage, Carport, Cellar, Certificate of occupancy, Cluste development, Commercial vehicle, Commercial, Commo land, Comprehensive plan, Conditional Use, Condominium unit, Conversion apartment, Covenants, Coverage - building, Density, District or Zoning district, Dormitory, Drive-in use, Dwelling, Dwelling units, Essential services, Family, Farm, Frontage, Garage - private, Garage - public, Gasoline station, Group residence facilities, Guest room, Hardship, Health care facility, High intensity soils map,

Historic site, Home produce, products and crafts, Horticulture, Hospital, Hotel, Illuminated sign, Industrial, Institutions, Junk automobile, Junk, Junkyard, Kennel, Laundromat, Loading space or unit, Lot area, Lot depth, Lot lines, Lot of record, Lot width, Lot - interior, Lot, Manufacturing, Mineral extraction, Mobile home park, Mobile home, Motel, Motor vehicle dealership, Non-commercial outdoor recreational activity, Nonconforming structure, Nonconforming, Nursing home, Open space, Parking space, Planned residential development, Plat, Porch, Prefabricated or modular dwelling unit(manufactured), Principal use, Private club, Privately-owned school, Professional office, Public notice, Public-right-way, Qualified soil scientist, Recreation facility, Research and development laboratory, Restaurant, Riding academy, Right-of-way, Screen planting, Seasonal residence, Senior center, Setback, Sign, Special exception, Story - half, Story - height of, Story, Street line, Street, Structure, Subdivision, Subdivision - minor, Tourist home, Trailer, Use, Variance, Warehousing, Wholesaling.

YES: 141, NO:44, declared passed.

Are you in favor of the adoption of Amendment 6 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 6: To reserve an Article of the Zoning Ordinance for the Historic District, but not to create a new Historic District and to number this Article XVII.

YES:144, NO:49, declared passed.

Are you in favor of the adoption of Amendment 7 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 7: To add ARTICLE XXI, SIGN ORDINANCES to the Zoning Ordinances as follows:

ARTICLE XXI, SIGN ORDINANCES to read:

"Internally illuminated, gas filled tubular or flashing electric advertising signs are prohibited. Externally illuminated signs are permitted by Special Exception. No sign shall be closer than ten (10) feet to any public right-of-way and no closer than fifty (50) feet to any side property line. No free-standing sign shall extend more than fifteen (15) feet above the ground. No sign shall be placed in such a position as to endanger traffic by obscuring a

clear view or by confusion with official signs or signals. Advertising billboards are prohibited. Advertising signs in the General Residential and Agricultural Districts shall not exceed six (6) square feet each. Advertising signs in the Commercial and Industrial Districts are not to exceed twenty-four (24) square feet each and their combined areas shall not exceed thirty (30) square feet. Signs pertaining to the lease or sale of a lot or building shall not exceed a total area of six (6) square feet or one sign for each two-hundred (200) feet of frontage and must be placed on the property offered for lease or sale."

YES: 151, NO: 51, declared passed.

Are you in favor of the adoption of Amendment 8 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 8: To allow the Planning Board to make spelling and syntax corrections to the text of the Zoning Ordinance.

YES:166, NO:35, declared passed.

Are you in favor of the adoption of Amendment 9 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

AMENDMENT 9: To allow the renumbering of all ARTICLES of the Zoning Ordinance to promote organization and sequence to the text of the document.

YES: 170, NO: 29, declared passed.

ARTICLE 3. Are you in favor of the adoption of Amendment 1 as proposed by the Planning Board for the Town of Harrisville Growth Management Ordinance as follows:

AMENDMENT 1: Section 5, paragraph g, Growth Permit selection process of the Growth Management Ordinance:

Add: "In the event that the full number of growth permits has not been granted by the end of a permit period, the Board of Selectmen is empowered to grant on a first-come, first-serve basis until the allowable limit for the preceding period has been filled."

YES: 152, NO: 47, declared passed.

Are you in favor of the adoption of Amendment 2 as proposed by the Planning Board for the Town of Harrisville Growth Management Ordinance as follows:

AMENDMENT 2: Section 7, Transferability:

Strike the last sentence of Section 7 of the Growth Management Ordinance and substitute the following:

"A growth permit granted on land which has been transferred within the previous 12-month period, cannot itself be transferred."

YES: 132, NO:64, declared passed.

ARTICLE 4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

A motion was made to accept Article 4 as read; passed.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$966.00 in support of the Monadnock Family Services.

A motion was made to accept Article 5 as read; passed.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of of \$3,000.00 in support of the services of Home Health Care and Community Services, with \$500.00 going immediately for membership fee and the rest paid as it is used.

A motion was made to accept Article 6 as read; passed.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$981.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.

A motion was made to accept Article 7 as read; passed.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the Grand Monadnock Arts Council.

A motion was made to accept Article 8 as read; passed.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Camp Holiday.

A motion was made to accept Article 9 as read; passed.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$1,640.05 as the Town's share of

the operating budget of the 53-B Subdistrict Regional Refuse Disposal District approved by the Town under Article 3 - 1985 Town Meeting.

A motion was made to accept Article 10 as read; passed.

ARTICLE 11. To see if the Town will vote to authorize the Selectmen to accept gifts of land and other real property.

A motion was made to accept Article 11 as read; passed.

ARTICLE 12. To see if the Town will vote to authorize the Selectmen to issue Property Tax bills on a twice yearly basis, adopting R.S.A. 76:15-a.

A motion was made to amend Article 12 to read:

ARTICLE 12. To see if the Town will vote to authorize the Selectmen to issue Property Tax bills on a twice yearly basis, adopting R.S.A. 76:15-a, to take effect in 1992.

A motion was made to accept Article 12 as amended; passed.

ARTICLE 13. To see if the Town will vote to authorize the Selectmen to apply for, negotiate for, contract for, accept and do all things necessary to obtain such Federal, State, or other assistance (financial or otherwise) as may be available to the Town.(RSA31:95-b).

A motion was made to accept Article 13 as read; passed.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$56,500.00 for Capital Reserve to be allocated as follows: Highway Equipment - 15,000.00, Landfill Closing - 22,000.00, Fire Equipment - 15,000.00, Police Cruiser - 2,500.00, and Tax Map - 2,000.00. (RSA 35:1)

A motion was made to accept Article 14 as read; passed.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the purchase of a Cives HP50 baler for plastics, newspapers, corrugated cardboard and aluminum cans, bale size 60" x 30" x 42-48", bales weighing 900-1200 lbs. for recycling.

A motion was made to accept Article 15 as read; passed.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purchase of Lot 30-42-2, 2 1/2 acres from Edward Bottomley.

A motion was made to amend Article 16 to read:

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purchase of Lot 30-42-2, 2 1/2 acres from Edward Bottomley. This lot will be held by the town in reserve and in an unaltered state. Any plan for use, alteration (to include but not limited to clearing, grading, back-filling and storage of town owned equipment or materials) or disposal of any or all of this lot, must be: 1-reviewed and approved by both the Town Planning Board and the Town Conservation Commission, and 2- brought before the voters at the Town Meeting for approval by simple majority.

A motion was made to accept Article 16 as amended; did not pass.

ARTICLE 17. To see if the Town will vote to designate the Sargent Camp Road as a Scenic Road under the provisions of R.S.A. 231:157. (By petition.)

Rand E. Duffy	219 votes, declared elected.
---------------	------------------------------

Cemetery Agent

Bryan Trudelle	52 votes, declared elected.
----------------	-----------------------------

The results of the ballots were read and the meeting was adjourned.

Respectfully Submitted,
Gretchen Poisson, Town Clerk

TOWN WARRANT
The State of New Hampshire

The polls will be open from 10:00 AM to 8:30 PM.

To the inhabitants of the Town of Harrisville in the county of Cheshire in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Wells Memorial School in said Harrisville on Tuesday, the tenth day of March at seven of the clock in the afternoon to act upon the following subjects:

ARTICLE 1: To choose all necessary Town Officers for the year ensuing.

ARTICLE 2: Are you in favor of the adoption of Amendment 1 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #1: To change the name of the General Residential and Agricultural District to the Residential and Agricultural District.

Are you in favor of the adoption of Amendment 2 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #2: To amend the Harrisville Zoning Ordinance by adding the following Article XXII - Parking Standards:

Every lot shall provide off-street parking according to the following standards:

<u>TYPE OF USE</u>	<u>REQUIRED NUMBER OF SPACES</u>
Single Family, Duplex,	2 spaces per dwelling unit
Multi-Family	1 space per dwelling unit
Accessory Apartments	1 space per apartment
Tourist Homes	1 space per sleeping room
Offices	1 space per 750 sq. ft. gross floor area
Gen. Retail/Comm. Use	1 space per 300 sq. ft. gross floor area
Manufacturing	1 space per 1,000 sq. ft. gross floor area
Wholesale and Storage	1 space per 3,000 sq. ft. gross floor area

Are you in favor of the adoption of Amendment 3 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #3: To amend Article XV, Village Residential District, by deleting the following:

4. That a minimum of one parking lot per unit be provided.

Are you in favor of the adoption of Amendment 4 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #4: To amend Article XI, Residential and Agricultural District, by deleting Paragraph 4 and replacing it with the following language:

4. There shall be a minimum distance of fifty (50) feet between any structure and the nearest boundary of any public right-of-way. No structure shall be placed closer than (40) feet to the side and rear boundaries of the lot.

Are you in favor of the adoption of Amendment 5 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #5: To amend Article XIV, Lakeside Residence District. Section A, Paragraph 2, by deleting the second sentence and replacing it with the following:

2. . . . No structure shall be located closer than twenty-five (25) feet to the nearest boundary of any public right-of-way, or to the side boundaries of the lot.

Are you in favor of the adoption of Amendment 6 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #6: To amend Article XV, Village Residential District(s), Section B, by deleting Paragraph 2 and replacing it with the following:

2. No structure shall be located closer than twenty-five (25) feet to the nearest boundary of any public right-of-way, or closer than fifteen (15) feet to the side and rear boundaries of the lot.

Are you in favor of the adoption of Amendment 7 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #7: To amend Article XI, Residential and Agricultural District by adding the following provision:

12. One backlot for single family dwellings shall be permitted in this District, provided the following conditions are met:
 - a. the minimum area of the backlot is five (5) acres;
 - b. the front lot shall have a minimum continuous frontage on a Class V road or better of at least 300 feet, but no greater than 499 feet;
 - c. the backlot shall have a permanent access of fifty (50) feet in width, designated and recorded in all deeds, which area is not to be included in the calculation of lot size;
 - d. the backlot shall be of such a shape as to allow a minimum 250-foot square building envelope, which shall be set back at least fifty (50) feet from all property lines;
 - e. there shall be a minimum of 300 feet from the nearest boundary of the Class V or better road to the nearest edge of the building envelope;
 - f. no more than one access to the front lot or the backlot shall be permitted;
 - g. the backlot shall meet all of the requirements of the Harrisville Subdivision Regulations.

Are you in favor of the adoption of Amendment 8 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #8: To amend Article XI, Residential and Agricultural District, by adding the following provision:

13. Accessory apartments shall be permitted by Special Exception of the Board of Adjustment only in this district provided the following conditions are met:
 - a. only single family dwellings may accommodate an accessory apartment;
 - b. only one accessory apartment per single family dwelling is permitted;

- c. the primary residence is occupied by the owner, except for bona fide temporary absences;
- d. the accessory apartment shall have a minimum floor area of 500 square feet and the primary residence shall have a minimum floor area of 800 square feet;
- e. the owner of the residence shall provide the appropriate documentation to demonstrate that the existing septic system is capable of handling increased usage; if not, a state-approved septic system will be installed;
- f. adequate provision shall be made for off-street parking;
- g. all setback and other requirements for this district shall be observed; and
- h. the accessory use shall be terminated if any of the above conditions are violated.

Are you in favor of the adoption of Amendment 9 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #9: To amend Article XIX, Cluster Development, by deleting it in its entirety and replacing it with the following:

Section I. Purpose

The provisions of the Article are designed to enable a developer of land for residential purposes to make such use pursuant to a plan which is in keeping with the overall density and open space objectives of the Regulations, but which depart from the strict application of certain of the required characteristics applicable in the zone in which Cluster Development is permitted in order to:

- A. Permit a creative approach to the development of residential land.
- B. Enhance the appearance of the area in which they are located through the preservation of natural features and open space.
- C. Accomplish a more desirable environment than would be possible under the strict application of the existing residential regulations.

Section II. General Requirements

- A. Cluster residential development is permitted by Special Exception of the Board of Adjustment only in the Residential and Agricultural District.
- B. Cluster residential development shall consist only of single family and two-family housing, accessory structures and incidental recreational uses.
- C. The minimum tract area for a cluster development is ten (10) contiguous acres.
- D. The maximum number of dwelling units permitted in a cluster development shall not exceed the number of dwelling units which would have been permitted by the density standards of the District.
- E. Toward the goal of preserving open space and encouraging flexible site designs, individual building lots may be reduced to one (1) acre, as determined by the Planning Board.
- F. The development shall have a minimum of 300 feet of frontage on a Class V or better road. Individual building lots shall have a minimum of 100 feet of frontage on the interior road.
- G. A buffer area of no less than fifty (50) feet shall be maintained around the perimeter of the entire tract. Natural vegetation shall be retained where possible, or vegetation shall be planted as deemed necessary by the Planning Board.
- H. Front, side and rear setbacks for internal structures shall be no less than 30 feet.

Section III. Open Space

- A. All land in cluster developments in excess of building lots, roadways, buffer areas or rights-of-way shall be reserved as one or more open spaces for recreation, conservation and general enjoyment by the residents of the

development and shall be readily accessible to all residents of the development.

- B. Such open space shall be either deeded to the town as a conservation covenant, conveyed to a community association or deeded to lot owners with sufficient covenants on the individual deeds to assure the continuance of the land in open space.
- C. The minimum open space area of a cluster development shall not be less than 40% of the total land area of the tract. No more than 50% of the open space land shall contain wetland soils or steep slopes, or road right(s)-of-way, as defined in this ordinance, or surface ledge. The Planning Board reserves the right to determine the appropriateness of the layout of the open space.
- D. No less than 20% of the open space area shall be located on or near the public road frontage. The Planning Board may waive strict compliance with this requirement in circumstances where it cannot be met for practical reasons.
- E. Ownership of the open space shall be approved by the Planning Board. The identified owners of the open space shall be responsible for its continuing upkeep and maintenance.

Are you in favor of the adoption of Amendment 10 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

Amendment #10: Amend Appendix A, Definitions, by adding the following terms:

Backlot: A lot not fronting or abutting a public right-of-way where access is provided through deeded ownership of the accessway.

Accessory Apartment: An independent living unit subordinate to a single family dwelling and under the same ownership as the primary residence. The apartment may be attached to the primary residence or located in an accessory building on the property. Kitchen facilities may be either shared or separate.

Building Envelope: The horizontal area on a lot within which the principal building shall be placed.

Gross Floor Area: The sum of the total horizontal areas of the several floors of all buildings on a lot, measured from the interior faces of exterior walls. The term shall include basements, elevator shafts, stairwells, attic space, interior balconies and mezzanines.

(Vote by official ballot.)

ARTICLE 3. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$966.00 in support of the Monadnock Family Services.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of of \$3,000.00 in support of the services of Home Health Care and Community Services, with \$500.00 going immediately for membership fee and the rest paid as it is used.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$981.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the Grand Monadnock Arts Council.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of Camp Holiday.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$56,500.00 for Capital Reserve to be allocated as follows:

Highway Equipment	- 15,000.00,
Landfill Closing	- 22,000.00,
Fire Equipment	- 15,000.00,
Police Cruiser	- 2,500.00 and
Tax Map	- 2,000.00. (RSA 35:1)

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be placed in a Capital Reserve Fund and to be added to in subsequent years by vote of the Town. Purpose of the Fund would be to defray the costs of property reappraisal. These funds are to be raised under the provisions of RSA 35:1.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the purpose of acquiring a purchase and sales agreement with Properties, Inc. (Public Service Company of New Hampshire) on a portion of lot 30-25-0.

ARTICLE 12. To see if the Town will vote to raise and appropriate the amount of \$8,000.00 for the purchase of a new dump body for the '72 Mack; furthermore, to authorize the withdrawal of said sum from the Highway Equipment Capital Reserve Fund.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the preparation and purchase of Property Base Line Maps, as provided by Altgelt-Scott Associates.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the removal of rocks from and the paving of the driveway of the Harrisville Fire Station.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the renovation of the Old Harrisville Fire Station for Town Offices.

ARTICLE 16. To see if the Town will vote to authorize the Town Clerk to collect a motor registration surcharge, the amount of which is set forth in RSA 261:153,V as follows:

\$5 for heavy vehicles, including mobile homes and house trailers, heavy trucks and truck-tractors whose gross weight exceeds 18,000 pounds, and buses;

\$3 for automobiles, light vehicles including trucks, and commercial motorized vehicles including tractor trailers; and

\$2 for special use vehicles including all-terrain vehicles, agricultural and farm vehicle, historic vehicles, and 2-wheeled vehicles including mopeds,

motorcycles, and non-motorized car and boat trailer;

And further, to require the Town Clerk, after deducting 50 cents from each fee to cover administrative costs, to deposit the remainder into town reclamation trust fund, which is hereby created pursuant to RSA149-M:3-a, to be held by the Town Treasurer in a separate account, and to be spent under the direction of the Selectmen to pay for the collection and disposal of used motor oil, motor vehicle batteries, and motor vehicle tires; any excess in the fund may be used for the recycling and reclamation of other types of solid waste.

ARTICLE 17. To see if the Town will vote to authorize the Selectman, after a public hearing, to add to and delete from the list of recyclable items of the Recycling Ordinance.

ARTICLE 18. To see if the Town will vote to authorize the Selectmen to appoint a committee to study the Building Permit Application procedure.

ARTICLE 19. To see if the Town will vote to modify the requirement for the issuance of Building Permits so that permits are required for projects that exceed \$3000.00 in cost and are:

1. construction of new structures
2. structural alterations to existing buildings that modify the exterior dimension or rooflines
3. interior alteration

and to exempt maintenance, repair, replacement and redecorating projects. Further to increase the fees for Building Permits to \$25 for alterations and \$50 for new construction.(by petition)

ARTICLE 20 To see if the Town will vote to direct the Selectmen to establish a Sewer District within the Village. (Vote on this Article is advisory only.)

ARTICLE 21. To see if the Town will vote to authorize the Selectmen to convey any real estate acquired by the Town by Tax Collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80.

ARTICLE 22. To see if the Town will vote to authorize the Selectmen to apply for, negotiate for, contract for, accept, and expend, without further action by Town Meeting, money from the Federal, State, or other governmental unit or a private source which becomes available during the year, in accordance with RSA31:95-b.

ARTICLE 23. To see if the Town will vote to authorize the Library Trustees to apply for, negotiate for, contract for, accept, and expend, without further action by Town Meeting, money from the Federal, State, or other governmental unit or a private source which becomes available during the year, in accordance with RSA31:95-b.

ARTICLE 24. To see if the Town will vote to authorize the Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 25. To see if the Town will vote to authorize the Selectmen to accept gifts of land and other real property.

ARTICLE 26. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriation of same.

ARTICLE 27. To hear reports of Agents, Committees, and Officers chosen and pass any vote related thereto.

ARTICLE 28. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twentieth of February in the year of our Lord, Nineteen ninety-two.

Board of Selectmen
Town of Harrisville, New Hampshire

We have audited the financial statements of the Town of Harrisville, New Hampshire for the year ended December 31, 1991, and have issued our report thereon dated January 10, 1992.

In planning and performing our audit of the financial statements of the Town of Harrisville, New Hampshire for the year ended December 31, 1991, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

The management of the Town of Harrisville, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories.

- Budget
- Cash and investments
- Revenue and receivables
- Expenditures for goods and services
and accounts payable
- Payroll and related liabilities
- Debt and debt services expenditures

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

We also noted other matters involving the internal control structure and its operation that we have reported to the management of the Town of Harrisville, New Hampshire in a separate letter.

This report is intended for the information of the Board of Selectmen. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Vachon, Clahay & Co., PC

OFFICE OF SELECTMEN

Events of interest this past year include completion of the Recycling Center at the Landfill, replacement of the roof at the Fire Station, and re-shingling of the Library roof.

The Selectmen attempt to be good stewards of Town property and your tax dollars. We have made every effort to keep expenditures to a minimum in these difficult times, and the proposed budget is significantly lower than last year's.

Our thanks to the workers at the Landfill, both volunteer and paid. Once again we urge all citizens to "reduce, re-use, and recycle". The less solid waste we have to accommodate at the Landfill, the longer we will be able to continue using the facility. The longer we can use it, the longer we will be able to avoid the costs of closing it.

We acknowledge with thanks the work of our Highway and Fire Departments. Our thanks, too, to the volunteers who serve on various Committees, Boards, and Commissions, all of whom work to make Harrisville such a pleasant place to live.

The Selectmen

Unpaid taxes as of 12/31/91 \$230,159.45

* Indicates that the resident paid his/her taxes by 1/31/92

** Indicates that the resident has made a partial payment.

Report of Tax Collector

Nineteen ninety-two will be the first year that the Town will have semi-annual bills. Hopefully, this will save the Town from borrowing monies to operate and thus, save paying interest charges.

I know that economic times are difficult. Taxpayers may make partial payments on taxes and I am willing to help set up a payment schedule. I may be reached at the office, 827-3431 or at home, 827-3427.

Barbara W. Haggblad,
Tax Collector

STATEMENT OF APPROPRIATIONS AND TAXES ASSESSED

Appropriations:

Town Officers' Salaries	\$6,000.00
Town Officers' Expenses	22,500.00

TOWN CLERK'S REPORT - 1991

I wish to extend my thanks to the people who voted for me in last year's election. I have enjoyed serving the town for the past busy year.

170 dogs were registered last year. There are still dogs in town that do not come in for their tags. They probably don't know they could cost their owners a \$25.00 fine (by law) for not being registered. Our rabies clinic will be held at the Nelson Town Hall again this year. It is tentatively scheduled for the first Saturday in April. Watch for notices of this inexpensive way to get rabies shots for either dogs or cats.

1,041 autos were registered in the past year. This is 46 less than the prior year.

In October I finally received training to be a municipal Agent, which enables me to issue the decals for renewals of license plates. The state had put a hold on training until they got their new computer system on line. Jean Girard and I both attended the training and each of us received an impressive-looking diploma from the State.

44 boats were registered in town last year, which was more work than fun, but netted the town an extra \$330.00 in boat tax that we would not have received otherwise.

Also, I became a Justice of the Peace last year, so I can notarize Town documents, and anyone else's as well.

I think I am done expanding this job and for now will just try to keep up with it. My hours will continue to be 7:30-9:00 on Monday nights and 4:00-8:00 on Wednesday nights. Thanks to Deputy Jean for her help and support, and to all of you for being so patient and friendly.

Gretchen Poisson,
Town Clerk

FIRE DEPARTMENT REPORT FOR 1991

For the first time in several years, I am happy to report to you that the number of emergency responses was down from the previous year. The primary reason was the drastic reduction in EMS calls. On the reverse side of this, however, is the fact that in spite of some very heroic efforts, we did suffer a civilian fire casualty early this fall. A careful analysis of the full response statistics at the end of this report will reveal for you both the numbers and variety of calls answered.

Let me share with you some of the positive things that I see as helping to contribute to the over-all service the department provides to the town.

FIRE SAFETY EDUCATION: We continue to place great emphasis on getting out the fire prevention and fire safety message, especially to our children. Once again this year Deputy Chief Ed Rogers worked with the Wells Memorial School staff in an unusual Fire Prevention program designed to increase awareness of fire safety facts. In a similar vein, we hope that our efforts this fall were successful in reaching adults with the SMOKE ALARM POSTERS which were placed around town in several locations. We also welcome groups (adults or youth) for visitations and conducted tours of the fire station at any time. A telephone call to me will guarantee it!

EQUIPMENT UPDATE: I have repeatedly stated that my primary objective as Chief is to keep both our equipment and personnel as up to date as possible. In regards to equipment, no major items were added or replaced. However, six new NOMEX protective Rescue Squad suits were added. We also continued the long-term program of upgrading protective turn-out gear aimed at improving personnel safety. As stated in previous years, all equipment meets the requirements of NFPA 1500.

TRAINING: It would be my guess that few residents realize the number of volunteer hours by members in the training process during the course of any given year. During 1991 this totaled over 1,100 hours, and included our own monthly "in-house" training; attendance at two Meadowood Fire Schools; a specialized 10 week FIRST RESPONDERS COURSE (6 certified); a special Mutual Aid tanker shuttle drill; plus several EMS Certification and Re-Certification classes. The commitment and dedication of these people is outstanding.

FIRE COMPANY CONTRIBUTION: In addition to the duties performed in the line of fire/rescue service, all of our members still find time to volunteer for Fire Company activities. This includes such "glamorous" activities as cleaning the station and checking over equipment every week, and getting together "on call" for special work projects such as grounds and building maintenance. Most notable is their annual fund-raising effort, which has enabled them to purchase and donate literally thousands of dollars in equipment to the town. This year's project (in progress) is the acquisition of a new Rescue Boat, which should be in service by "ice out". I personally thank both the Company for their effort, AND ALL THE PEOPLE WHO SUPPORT IT!

Now to the less rosy side of my report. For the past three years I have been urging townspeople to join this department to assure a continuation of the level of service we have come to expect. The response to these appeals has been MOST DISCOURAGING - (only two)! I don't know how to state it any clearer. Our membership currently stands at 26 - on a 35 slot roster! Three are older members who serve on a Limited Duty basis; two are on indefinite personal leave-of-absence. WE NEED PEOPLE TO STEP FORWARD NOW! Toward this end, it is our desire to start an Orientation/Basic Training Course in April. Please contact me or any officer for details.

Finally, a word about smoke detectors. The law requires that all new homes have "hard-wired" smoke detectors. Beyond that, I want to encourage everyone to not only install them - BUT PROPERLY MAINTAIN THEM! Smoke detectors DO save lives, but only if they are working! If you need more help in this regard, call me.

Rand E. Duffy, Chief

Harrisville Fire Department

CONSERVATION COMMISSION

The Conservation Commission again sponsored the annual Spring roadside cleanup. We are again grateful to the Harrisville Congregational Church for providing support and refreshments to the cleanup crews.

The Conservation Commission acts in an advisory capacity to the other town boards, and to the New Hampshire Wetlands Board. The Commission has spent considerable time this year working closely with the planning board on reviewing a major waterfront subdivision in Harrisville. The Commission has continued to contribute to the ongoing Town Master Plan review and update, which is scheduled to be completed this Spring.

Max Boyd's term on the Conservation Commission expired this year, and we would like to take this opportunity to thank Max for his years of service to the Town.

The Conservation Commission meets on the fourth Tuesday of every month at the Harrisville Public Library at 7:30 PM. The meetings are public and anyone is welcome to attend.

HARRISVILLE POLICE DEPARTMENT

The year of 1991 has been somewhat of a quiet year. We have seen the number of burglaries decline in the past couple of years and we have had fewer motor vehicle accidents, but the numbers of times that we are called on for service (suspicious vehicles, persons, domestics problems and just calls for help and false burglar alarms) has increased considerable.

As in the past, the State continues to recommend more and more training which puts more demands on the Department.

I had intended to ask the Town this year to consider letting the Police Department use the Chesham Fire Station for a Police Station, but it is going to require some money to renovate it and this is not a good year to ask the taxpayers to spend more money so we will manage for another year and hope that next year will be better for all.

I would like to take this time to thank the Fire Department for all its help, the Board of Selectmen for their support, and especially the people of the Town for their help and continual support.

Respectfully submitted,
Chief Michael Sundstrom

HIGHWAY DEPARTMENT

It has been an average for the Highway Department. The purchase of the 1988 1-ton Ford was greatly needed to replace the 1967 Jeep.

Brush cutting was done along with mowing. Taring was done on Sunset Hill, Roxbury Road, Tolman Pond Road and Old Harrisville Road. The Fall was spent at the Landfill to help on the new Recycling Building. In September 1,400 yards of Winter sand was made. In December 1,000 yards of gravel was crushed , to be used this upcoming year.

In 1992 we will tar the Bonds Corner Road and the end of Brown Road. Spring and Summer will be spent replacing culverts and general maintenance on all roads.

Respectfully submitted,
Wesley Tarr, Jr.

HISTORIC DISTRICT COMMISSION

Our charge as a Commission is to preserve the historic "look and flavor" of the Village. The process starts when a property owner within the bounds of the Historic District submits an application for work which will affect the exterior of the building (this includes repairs).

The Historic District Commission (HDC) received, reviewed and acted on fifteen applications from property owners in 1991. These applications were for a very wide variety of work, including chimney repair, roof repair, new fencing, new construction, remodeling, installing new windows and storm doors, general maintenance, etc.

We are a seven member Commission. I would like to welcome Del Ogg, our newest member, and to thank each member for the many hours of dedicated service to the HDC. Much time is spent in preparation for the meetings and in reviewing the applications at our monthly meetings.

Regular members of the HDC are: Dan McWethy, Del Ogg, Henry Taves, Peter Temple, and Leslie Voiers. Marilyn St. Peter represents the Board of Selectmen.

The public is invited to attend our monthly meetings, held on the first Monday of every month at 7:00 PM in the Cheshire Mills Boarding House (second floor).

Respectfully submitted,
Janet Calhoun, Chairman

RECYCLING REPORT 1991

In 1991 we shipped out

40 tons	paper and magazines
40 tons	scrap iron
15 tons	tin cans
1 ton	aluminum cans
3 tons	plastic
10 tons	glass
36.5 tons	tires

The cost for this was \$4,125.37. We realized revenue of \$1,685.87. We begin the new year with one half ton of aluminum cans and 30 tons of crushed glass on hand. We hope to transfer these soon.

The new Recycling Center building is working out nicely. We can now handle corrugated cardboard. Also, we are grinding foamed polystyrene, to be used for the insulation in the building.

I would like to thank Harrisville Designs for their donation of the conveyor we use with the glass crusher.

A loading dock and pavement around the building will complete the new facility.

Roland Knight, Recycling Chairman

RECYCLING TIPS

The following items are recyclable:

PLASTIC

GLASS(no ceramic, window glass)

ALUMINUM

TIN CANS

CORRUGATED CARDBOARD

PAPER - Acceptable

Office, copy and fax papers

Plain and colored computer paper

Plain and manila envelopes

Newspapers and supplements

Bulk business (junk) mail

Grocery and shopping bags

Stapled magazines

Books and glued magazines

(Please keep these last items separate)

- Unacceptable

Carbon and plastic coated papers

Envelopes with plastic windows

Tyvek mailers or any plastic envelopes

Used disposable paper products

Waxed or metallic embossed papers

Wet strength paper

Please keep in mind that as new markets are found, more items may become recyclable.

PLANNING BOARD ANNUAL REPORT

This past year can best be described as one of transition and anticipation. Because of the depressed economy, and real estate in particular, the only real subdivision activity was a major project that had been expected and in the works for some time.

On planning activities, a sub-committee continues to work on an update of our Master Plan, a streamlined revision of sub-division regulations was completed, and several zoning issues were presented to voters.

In 1992 the Board will continue to review current Zoning regulations making revisions and additions that reflect the philosophy of the Master Plan. We will also continue, as was started last year, revising the Planning Board process and making it more responsive to and easier to move through by the public.

I wish to thank the volunteers who have worked on the Master Plan update and especially all the residents who responded to the committee's questionnaire. And finally, I thank my fellow Board members for the many hours of time they have given to the Board and our Town.

Respectfully submitted,

Jay C. Jacobs, Chairman

ZONING BOARD OF ADJUSTMENT

In 1991 the Zoning Board handled fewer cases than last year. The year saw the departure from the board of John Stinchfield and Libby Van Etten. The board appreciates the long years of service given by both Libby and John, and will miss their active participation. We wish them well.

For much of the year, the Board has been short the full complement of members and alternates needed to insure a quorum at every meeting. New members are needed, and those interested are encouraged to contact the Selectmen. Our newest member is Gertrude Richardson, from Eastview.

Respectfully submitted,

Charles Michal, Chairman

HARRISVILLE PUBLIC LIBRARY

This was a busy year for the Library. Circulation has increased and more patrons are coming in to use the computer. Patrons are welcome to use the Library's software or bring in their own. The video collection has been nearly doubled (79 tapes) and continues to be a popular addition to the collection.

Our holiday craft programs have been well attended. This year we made Valentines, May baskets, Thanksgiving Dinner place cards, and Winter craft items. This year's Summer Reading Program theme was a Turtle Race. There were more than thirty little turtles running around the Library shelves! Each one was a winner. The Library Tea and Book Sale was held in July, with a second Book Sale on Old Home Day. Both were successful.

With 139 volumes added, and 59 withdrawn, the Library now has 5225 volumes in its regular collection. In addition to the books and tapes, both audio and video, the Library has available 20 magazine titles. The Peterborough Town Library provided us with 104 titles on long-term loan. Twelve requests were fulfilled through the New Hampshire State Inter-Library Loan System. Circulation for the year was 7976.

A word (or two) to our Volunteers - Thank you! In addition to our regular hours, the Library was open on Thursday evenings during the Summer months thanks to the generous giving of time by one of our Volunteers. Another of our Volunteers helped staff the Library on our busy Summer Saturday mornings. Still others volunteer during staff vacations and on Library meeting days.

Thank you for your support. And again, a special thank you to our Volunteers.

The Library Staff and Trustees

Library hours remain the same:

Monday	6:00 - 8:30 PM
Wednesday	2:00 - 5:00 PM
Friday	3:00 - 6:30 PM
Saturday	9:00 AM - Noon

HARRISVILLE OLD HOME DAY 1991

Harrisville Old Home Day was scheduled for Saturday, August 10, 1991. However, as in 1990, the rains came, and with the exception of the Street Dance, all other activities were postponed to Sunday. Refreshments were available at the dance. The pizza from Olly's Too was delicious and Roger Packard's popcorn was great.

It turned out to be a perfect day. The activities started off with a children's parade from Johnson's Field and around the Town. Following the parade, there was a delightful concert by the Jazz Express. While the concert was being enjoyed, hot dogs, soda, and chips were available at the food table. Small children played games and received prizes. Balloons, face painting, and pony rides were other highlights of the day for small fry. For adults, there were Bingo. New this year was an exciting canoe race. It began at the Town Beach, with the Finish Line at the Blacksmith Shop. Also new this year was an Old Home Day Tee shirt.

Activities were ongoing at Johnson's Field. Historic Harrisville had a most informative display. Games, such as, Tug-of-War, sack races, horse shoes, and volley ball, kept the teenagers busy. The Firemen served their delicious Bar-B-Que.

The Committee wishes to thank all the volunteers who gave of their time and talents and made this such a fun and successful event.

REPORT OF MARL-HARRIS AMBULANCE SERVICE

In the fiscal year 1991, your ambulance service responded to 151 calls for help and logged a total of 2426.4 miles serving the townspeople of Marlborough and Harrisville, N. H..

15	Motor vehicle accidents
1	Bicycle accident
1	Snowmobile accident
7	Code 9's
16	Refuse transport or no transport
1	Old Home Day stand-by
1	Memorial Day parade
3	Fire stand-by
123	Patients transported

Due to the ever generous support of our townspeople, we have been able to serve you for over 22 years without using your tax dollars. 1991 was no exception. Your generosity overwhelms us. Thank you for helping us to help you.

Our membership now totals 19; 18 medical and 1 auxiliary personnel. We still need new members. Most of the calls fall between 9 AM and 3 PM, a time span when the major part of our squad is working. Could you find some time to help? If not medical, become a driver. Just contact any member to become part of the team.

To serve you better all squad members now have portable radios, as well as pagers. This has helped reduce the response time.

All squad members have received immunization shots against hepatitis to better protect our members, as well as our patients.

Several people have questioned why we run additional fund raising events, flea market, dance, car wash, etc.. This is done to create funds for social use, things we feel your donations should not be used for. All donations go toward the operation of the service and training. Training and recertifications are very expensive. Each member is required by the State to meet a standard of on-going training. This can be 100 or more hours per member per year, depending on their level of certification. It is a never ending task and shows the dedication of our members.

A tip of the ole thank you hat to Geri Dunn for the statistical information in this report, the Lion's Club, and all our friends. Without you, we could not serve you. We thank you all.

Respectfully submitted,
Roger T. Packard - President M-H

**REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER**

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fire in 1991 were non-permit, children, and smoking materials. 450 wildland fires in N. H. burned approximately 150 acres for an average fire size of 1/3 acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system, and the quick response of our trained local fire departments.

In every municipality, there is a Forest Fire Warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the N.H. Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In N.H., any open burning, except when ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor.

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank you for being fire safe.

Robert D. Nelson, Chief, Forest Protection
Robert Stewart, Forest Ranger
Alton Chamberlain, Forest Fire Warden

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.

In 1991, Home Health Care and Community Services continued to provide home care and community services to the residents of Harrisville. The following information represents a projection of HHCCS's activities in your community in 1991. The projection is based on actual services provided from January through September 1991 and an estimate of usage during October, November and December.

SERVICE REPORT

SERVICES OFFERED	SERVICES PROVIDED	SERVICES SUPPORTED PARTIALLY OR TOTALLY BY THE TOWN
Nursing	73 visits	14 visits
Physical therapy	30 visits	0 visits
Home Health Aide	39 visits	32 visits
Nutritionist	1 Visit	0 Visits
Child Health Program	2 Children	2 Children

Total unduplicated residents served: 10

In addition to the above activities, regularly scheduled blood pressure clinics, child health clinic, and telephone consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1991 with all funding sources is projected to be \$9,677.50.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your Town. In 1991, Town support is projected to be \$1,558.77.

For 1992, we recommend an appropriation of \$3,000.00 to continue home care services at the current level.

Thank you for your support.

MONADNOCK FAMILY SERVICES
Town of Harrisville

Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little or no income. The Peterborough District Office is open five days and three nights every week. The Jaffrey District Office is open three days and one evening each week. We provide 24 hour emergency services, 7 days a week, 365 days a year. As a part of the coverage, Monadnock Family Services staff also provide crises services to Monadnock Community Hospital emergency room and to patients admitted to the medical units upon physician request.

It is our goal to maintain quality services to residents of our catchment area, and to provide for the identified counseling needs of the community.

Last year the Monadnock Family Services served over 1,132 individuals in your area with more than 23,046 visits for direct treatment. Also available through our agency are psychiatric, case management, housing and day treatment services. This figure is reflective of open cases and does not contain those individuals who may have been seen as adjunct member of treatment (i.e., family members, school personnel, legal or other sources of referral).

This past year for the Town of Harrisville we provided 406 visits for direct treatment. Of the 30 open cases, 10 were male and 20 were female; all were between the ages of 18 and 59. None of these individuals were certified as chronically mentally ill and none were certified as severely mentally ill, as per N. H. Department of Mental Health guidelines. The average fee for service, paid for by the client, was \$.61 per hour. Primary referral sources were as follows: self-referred, physicians, social service agencies, schools, and courts, in that order.

MFS Adult Care Center was open over 860 hours in 1991, with an average daily attendance of approximately 18 clients. Therefore, we provided over 15,526 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

The dollar amount requested from your Town to help us continue offering these services is arrived at by multiplying the 1990 Census Bureau population figure by \$1.00. This per capita amount includes no increase from last year despite significant funding cuts by the State of New Hampshire. The amount we are requesting is \$966.

We thank you for your support.

ASHUELOT VALLEY REFUSE DISPOSAL DISTRICT (53B)

SOUTHWEST SOLID WASTE MANAGEMENT DISTRICT (149M)

Good news for our town budget. There are no dues required for either 149M or 53B for 1992. The bad news is that both the Districts have ground to a halt with the withdrawal of Keene.

The loss of the financial support from dues and the amount of trash that equals all the other town's made further negotiations with Bedminster for a composting plant no longer feasible.

At the last meeting in January it was proposed that the Executive Committee prepare a report for the March meeting prior to Town Meeting on the pros and cons of dissolving the Districts. This would mean that we would face the State mandate to provide our own plan and face negotiation for transfer and haul or some other solution by ourselves. As your reps, we do not recommend this and will attempt to keep the District functioning.

We are currently checking on District transfer and haul possibility for the most reasonable cost and contract. In addition, AWARE, a combined recycling and composting project in Hookset, N. H., if permitted by the State, could provide low tipping fees and reasonable five year contracts.

Given the uncertainty of the situation, we strongly urge that the current recycling effort be maintained and expanded and cite the added capacity of our new Recycling building. When our Landfill is closed, we will be paying "transport plus tipping" fees of about \$100.00 per ton for unsorted solid waste. All recyclable material -taken as a whole- has some value: and "transport less allowance" charges for sorted recyclable material could be less than half of the cost noted above.

Respectfully submitted,

Louis C. Carey, Representative, 53B-149M

John W. Sutcliffe, Alternative

Historic Harrisville, Inc.
Report for 1991

Our two main meetings in 1991 (April and October) were well attended and featured discussions and walking tours of the Chesham pottery sites and the Beech Hill Summer Home District. Though unrelated, both are interesting and important historical areas of our town and are deserving of further research and understanding.

The first phase of the restoration of the Abel Twitchell House was completed in the fall of 1991 and included new foundations, siding, windows and roof. We hope that during the next year we will be able to sell the property so that the final restoration can be completed and the house will once again enjoy the central role it has played in the historical life of the village.

There has been a great deal of interest in and confusion about our Historic Preservation Covenant program. Our covenants are deeded interests in certain properties that grant to Historic Harrisville the right and responsibility to monitor and approve changes to those properties. Though similar to the system used by the Historic District Commission, the covenants "run with the land" thus insuring their continuing effectiveness even if the Historic District ceased to exist. Not all properties in the Historic District are subject to our covenants and in approving or disapproving proposed changes we are independent of the Historic District Commission's decision as they are of ours. Over the past twenty years, the review granted to us by the covenants has given us an effective tool for communicating with Property Owners and managing the changes that they desire to make while preserving the important historical features that make Harrisville Village a National Historic Landmark.

Historic Harrisville, Inc. is a public, non-profit foundation and we welcome anyone to join us in our work or at our meetings that are usually held on the last Saturdays of October and April.

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 10 day of March, 1992, Ten O'Clock in the forenoon to bring in your votes for the election of school district officers. The polls will be open at 10:00 a.m., nor close earlier than the time of closing the polls for the election of town officials.

ARTICLE 1. To choose all necessary school district officers:

A member of the school board for the ensuing three years
A moderator for the ensuing year
A clerk for the ensuing year
A treasurer from July 1, 1992, for the ensuing year
An auditor for the ensuing year

Given under our hands at said Harrisville, this 5th day of February, 1992.

Robert Kingsbury, Chairman
John J. Colony, III
Earl H. Horn

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

*Phillip G. McCormack, Ed.D.
Superintendent of Schools*

STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 10 day of March, 1992, at 6:00 p.m. to act upon the following articles:

- ARTICLE 1. To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.
- ARTICLE 2. To see if the District will vote to accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescision of such authority, the school board to apply for, accept and expend, without further action by the school district, money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year, or to take any other action in relation thereto.
- ARTICLE 3. To see what sum of money the District will vote to appropriate for the purpose of transfer to the Capital Reserve Fund established on March 11, 1986, or to take any other action in relation thereto.
- ARTICLE 4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District, or to take any other action in relation thereto.
- ARTICLE 5. To choose agents and committees in relation to any subject embraced in this warrant, or to take any other action in relation thereto.
- ARTICLE 6. To transact any other business which may legally come before this meeting.

Given under our hands at said Harrisville, this 19th day of February, 1992.

*Robert Kingsbury, Chair

HARRISVILLE SCHOOL DISTRICT MEETING
Tuesday, March 12, 1991

The Harrisville School District Meeting was opened at Wells Memorial School at 10:15 a.m. by Moderator Michael Potter.

ARTICLE 1: To choose all necessary school district officers:

A member of the school board for the ensuing three years
A moderator for the ensuing year
A clerk for the ensuing year
A treasurer from July 1, 1991, for the ensuing year
An auditor for the ensuing year

Article 1 was read and polls declared open for voting under this article until 8:30 p.m.

Motion was made, seconded, and so passed to recess until 6:00 p.m.

Meeting was re-opened at 6:05 p.m.

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen and to pass any vote relating thereto.

It was moved and seconded that the district receive the report of agents, auditors, committees and officers chosen as printed in the annual report.

The motion was passed.

ARTICLE 2: To see if the district will vote to authorize the school board to expend, without further action by the school district meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1991-1992 school fiscal year provided that such expenditure be made for purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board hold a public hearing prior to spending such money (pursuant to R.S.A. 198:20-b).

It was moved and seconded to adopt Article 2 as printed in the warrant, and so passed.

ARTICLE 3: To see if the district will vote to authorize a change in the stated purpose of the Capital Reserve Fund, established on March 11, 1986, which is "for the construction or reconstruction of building and grounds at the Wells Memorial School," to include capital improvements of said building and grounds, or take any other action in relation thereto.

It was moved and seconded to accept the article as read.

It was then moved to amend the article to read: the district authorize a change in the stated purpose of the Capital Reserve Fund to include capital improvements of the buildings and grounds at the Wells Memorial School.

The amendment was seconded, discussion was held. The amendment was passed.

The amended article was passed by a show of hands -- 33 yes, 0 opposed, and was so passed.

ARTICLE 4: To see what sum of money the district will vote to appropriate from the unreserved fund balance available on June 30, 1991, for the purpose of transfer to the Capital Reserve Fund established on March 11, 1986.

It was moved that the district appropriate \$10,000.00 dollars from the unreserved fund balance available on June 30, 1991, for the purpose of transfer to the Capital Reserve Fund.

Motion was seconded. Discussion was held, and Bob Kingsbury explained where the money was coming from.

Motion passed.

ARTICLE 5: To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district.

It was moved that the district raise and appropriate the amount of \$1,015,382.00 dollars for the support of schools, the payment of salaries of school district officers and agents, and for the payment of the statutory obligations of the district. Motion was seconded, discussion was held.

Motion so passed.

ARTICLE 6: To choose agents and committees in relation to any subject embraced in this warrant.

Mr. Chamberlain moved we table this article, knowing of no need for any committees or agents. Motion seconded, and so passed.

ARTICLE 7: To transact any other business which may legally come before this meeting.

Moved to recess until votes are counted, seconded and so passed.

The polls were closed at 8:39 p.m.

ADMINISTRATIVE REPORT

The opening of school this fall was very smooth, especially when compared to last year. Last September the building project was still underway. This September neither the children nor the staff had to contend with the disruptions of a building project. Rather, they can now take full advantage of the beautiful addition to the school. Thanks to the support and cooperation of the community, the students now have a facility that is conducive to the implementation of programs and activities that reinforce the staff's efforts to provide a quality education for the children in Harrisville.

I sometimes fear that we begin to take certain things for granted. One such thing is that level of quality that I feel is present in the school and has become characteristic of the Wells Memorial School. There are a number of factors that impact on the quality of programming at the school. One factor is the staff at the school. From my perspective, this is an extremely hard-working, very student-oriented group of teachers who work cooperatively to maximize the educational opportunities for each child. I am very impressed with their willingness to "walk the extra mile" on behalf of children.

Another factor that heavily influences the level of success or effectiveness of a school is the degree of parent involvement. I have observed a very deliberate effort by the staff to communicate with and involve parents in a variety of activities that are happening in the school. The value of communication and involvement can easily be forgotten. They are things that warrant constant attention because without them, school effectiveness can significantly be diminished. I commend the efforts of all (parents and teachers) involved to maintain open lines of communication. I strongly encourage a continuation of these efforts.

As equally important as parent involvement is the support of the community. As I attended the dedication ceremony last year, I could not help but be tremendously impressed with the pride that the community has in the Wells Memorial School and the support that it has given to the children of Harrisville and the school. Needless to say, without this support it would be impossible to maintain the level of programming that currently exists.

We cannot take the success that the school has experienced for granted. Please make an effort to communicate your ideas or concerns to school personnel and to continue your involvement in the school. Your input and involvement will help all those responsible for the education of your children to do a better job.

Please make the time to visit the school.

I look forward to seeing you at the School District Meeting on March 10 at 6:00 p.m.

*Phillip G. McCormack, Ed.D.
Superintendent of Schools*

PRINCIPAL'S REPORT

We began 1991 with the opening of the addition to our school. Dedication ceremonies included students developing a time capsule. Each class participated by including memorabilia representative of their elementary school years. The 1991 school year ended with the graduation of nine sixth graders: Norman Bemis, Tom Cutaiar, Alexis Leino, Jen McClure, Colline Miller, Joshua Moschan, Dan Nowill, Jason Raynor, and Brice Raynor.

During the summer we conducted our fourth summer reading program funded with federal grant monies. Karin Pratt, Dotty Frazier, and Patty Gould were the teachers. Once again, participating students made remarkable progress ensuring their continued success during the regular school year.

School opened for the 1991-1992 school year with 80 students. Since September, our total school population has grown to 82.

Kindergarten	9	Taught by Jeannette Yardley
Grade 1	10	Two multi-age units
Grade 2	8	taught by
Grade 3	16	Patricia Gould and Karin Pratt
Grade 4	14	
Grade 5	8	Homeroom teacher, Kathleen Frick
Grade 6	15	Homeroom teacher, Dorothy Frazier

We have enjoyed the addition of the Kindergarten program. Jan Yardley invested a lot of time developing and implementing this new program.

Our hot lunch program continues to be successful with Monica Bemis providing outstanding meals daily. Over half of the student body receives hot lunches daily.

Due to the commitment of students, staff, community members, and our custodian, Mr. Beauregard, our school continues to be a clean and safe facility. It is obvious the pride everyone takes in this wonderful facility.

It is with continued pride that the staff works with students, parents, and community members to provide the best elementary education possible.

On behalf of the entire staff,

*Dorothy Frazier, Teaching Principal
Wells Memorial School*
